News

6.06.23

Fisher Phillips, one of the country's preeminent labor and employment law firms representing employers, once again earned top rankings in the 2023 edition of *Chambers USA*. The firm's Occupational Safety and Health practice maintained its national standing and added two additional attorneys – Andrew Sommer and Travis Vance - to the list of individuals receiving nationwide rankings in this practice area. The firm also maintained its Band 2 national Labor and Employment ranking and remains “Band 1 – Highly Regarded” in California among the state's Labor & Employment law firms. In addition, Fisher Phillips saw an increase of over 10% in the number of individual attorney rankings, and the firm had individuals listed within the top bands of 18 states.

*Chambers USA*, the nationally recognized client guide of America's top law firms and lawyers, determines rankings through thousands of in-depth interviews with attorneys, clients, and businesses. The guide reflects a law firm's performance in key areas including value, professional conduct, commercial astuteness, client service, diligence, industry knowledge, commitment, technical ability, efficiency, and other qualities stated as most valued by the client.
