As more people are embracing the gig economy and it is becoming more difficult to hire great talent, misclassification of independent contractors remains a hot topic and a significant risk for employers. Join Fisher Phillips attorneys, Roddy Dryjanski of the Woodland Hills office and Ben Taylor of the Los Angeles office, for this one-hour webinar where they will discuss the key issues, best practices, and the most important dos and don'ts when considering classifying individuals as independent contractors. They will also discuss:

- How to determine whether to classify workers as contractors or employees
- How to approach misclassification issues

This webinar will be submitted for 1 hour of HRCI/SHRM credit.
