

EHS Today Previews Upcoming Workplace Safety Presentation

News

7.13.23

An article published in *EHS Today* previews **Micah Dickie's** upcoming program on handling OSHA inspections being presented at the 2023 Safety Leadership Conference. Micah answers the publication's questions about what attendees can expect to hear stressing the fact that employers can improve safety and save thousands in citations and lost business by having a plan in place *before* OSHA shows up and sticking to that plan to protect their rights.
