Overview

Focusing on labor matters, Adriana Mayo advises on issues arising from individual employment relationships, working conditions and other employer obligations under Mexico's Federal Labor Law. She also conducts labor audits and helps businesses implement best practices, compliance policies, and preventive schemes that help avoid risk. She has worked with clients from pharmaceutical, communications, automotive, food, education and construction industries, among others.

Credentials

Education

- Law, 2019, Universidad La Salle A. C.
