Overview

Gustavo Castro has eight years of experience representing clients in individual and collective labor litigation, including working with local and federal boards, appearing at various hearings and proceedings, making and answering demands, and reviews and appeals. Well versed in Amparo Trial and Mexico's new procedures for resolving employment disputes, he also frequently helps companies conduct and report on the results of audits designed to assure compliance and reduce risks.

Credentials

Education

- Law, 2012, Universidad Nacional Autónoma de México
