Service Focus

- Counseling and Advice
- Labor Relations
- Litigation and Trials

Languages

- Spanish
- English

Overview

With more than 11 years of experience in labor law, José Carlos Granados defends businesses in employment litigation and counsels them in a variety of matters including the termination of individual contractual relationships. He frequently represents companies in individual conflicts before labor courts and conciliation and arbitration boards, at both the federal and local levels. His main objective is to prevent worker-employer conflicts – and to resolve them favorably and efficiently when they do arise.
