

## Firm Insight Referenced in McKnight's Article on Potential Hiring Bias Resulting from AI-Powered Selection Tools

News  
8.17.23

A *McKnight's* article referenced a previously published [firm insight](#) authored by **Raeann Burgo** and **Wendy Hughes** on the potential for hiring bias that can result from the use of AI-powered selection tools. In the referenced portion, the attorneys suggest strategies to ensure fair use of AI-powered selection tools and avoid discrimination lawsuits. "To the extent that you are incorporating AI technology to supplement and support your HR efforts, you need to make sure you retain a healthy dose of human judgment in your workplace decision-making," they said.
