

Hospitality Webinar Series: Is Your Employer Ready for a Union Organizing Drive?

Event

10.10.23

10:00 AM — 11:00 AM PDT

Union organizing is on the rise. According to the National Labor Relations Board (NLRB), 2022 saw an increase in representation elections of more than 65% over 2021 totals and the first six months of FY 2023 are up 14% from this point last year. These figures show no signs of slowing and seem to be fueled by a focus on industries not historically associated with unionization.

Despite this reality, many employers in such historically union-free sectors, are not fully versed in relevant labor laws, leaving them unprepared to respond lawfully and effectively to organizing campaigns. Join Tyler Woods and Alden Parker for this important webinar, designed to help hospitality employers implement decisive but lawful techniques fostering cultures of positive workforce relations.
