

Chief Knowledge and Innovation Officer Interviews with Law360 to Discuss “AI Fatigue”

News
4.21.23

In an interview with *Law360*, **Evan Shenkman** discusses “AI fatigue” and his excitement about the future prospects of AI. While the term “AI fatigue” appears to be spreading among mainstream culture, Evan explains he is feeling more “exhilarated than exhausted” by it since leveraging the technology in the legal industry has been more “powerful and versatile than we thought it would be.”
