Fisher Phillips, an international law firm representing employers, is pleased to announce that it has been named by Best Law Firms® as the 2024 “Law Firm of the Year” in the category of Labor & Employment Litigation. Fisher Phillips was previously named “Law Firm of the Year” Labor & Employment Litigation in 2022 and continues to grow its litigation capabilities across the country.

Firms included in the 2024 “Best Law Firms” list are recognized for professional excellence with persistently impressive ratings from clients and peers. Achieving the “Best Law Firm” ranking signals a unique combination of quality law practice and breadth of legal prowess. Additionally, one “Law Firm of the Year” was named in each nationally ranked practice area.

In this year’s references, one client described the firm’s attorneys as “strong employment litigators who give practical advice but, at the same time, are tremendous trial attorneys.” Another client said they have found Fisher Phillips to be “by far the best labor and employment firm that I have worked with in my 30 years in business. They provide consistent, practical, and workable advice on how to achieve your goals and remain in compliance.”

Fisher Phillips also received National Tier 1 Rankings for its Employment Law, Immigration Law, Labor Law, and Litigation practices, as well as a National Tier 2 Ranking for Mining Law and a Tier 3 Ranking for ERISA. In total, 27 of the firm’s offices received the prestigious Metropolitan Tier 1 Rankings in Employment Law, Immigration Law, Labor Law, Labor and Employment Litigation, Workers’ Compensation Law, and ERISA Litigation. Fisher Phillips has been included in every edition of the esteemed rankings since its inception in 2010.

Since it was first published in 1983, Best Lawyers® has become universally regarded as the definitive guide to legal excellence. Best Lawyers lists are compiled based on an exhaustive peer-review evaluation. Best Law Firms rankings are based on a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys in the field, and review of additional information provided by law firms as part of the formal submission process. To be eligible for a 2024 ranking, a law firm must have at least one lawyer recognized in the 14th edition of The Best Lawyers in America® list for that location and specialty.

Earlier this year, 140 attorneys from Fisher Phillips were recognized among the Best Lawyers in

America® 2024 edition. The guide included attorneys from 13 key practice areas and 12 newly listed attorneys, which is a 9% increase over last year. Fisher Phillips also had seven attorneys earn the prestigious 2023 “Lawyer of the Year” designation, which honors a single outstanding lawyer in a specific practice and geographic area.
