

Viva Mexico! Why U.S. Businesses are Spreading their Wings in Mexico

Event

11.16.23

2:30 PM — 3:30 PM EDT

Mexico has gone through such sweeping labor reforms in the past few years that it now ranks as one of the best places for outsourcing and expansion. You may still be dissuaded from cross-border operations due to old misconceptions or outdated notions about what it's like to do business down there, especially as an employer. It's time to rethink everything. Join us for this interactive webinar with leaders from FP's U.S. International Group and Mexico offices to discuss what changes have taken place, the new opportunities awaiting your organization, and how to overcome the most common labor challenges businesses face when they open up shop in Mexico.
