

Quickie Elections Are Back – Preparing for the NLRB's New Union Representation Rule

Event

12.12.23

12:00 PM — 1:00 PM EDT

\$75 per person

Join Steve Bernstein and Todd Lyon, co-chairs of Fisher Phillips' Labor Relations Group, for an important webinar designed to prepare employers for one of the many blows recently landed by an historically active NLRB.

The Board spent most of Q3 delivering on promises made during the Administration's 2020 campaign, and the returns are clear. Organized labor already enjoys more advantages over employers than at any point in recent history. Game changing rules and decisions have defined this dramatic pendulum shift, but additional challenges are lurking on the horizon.

Enter, the return of the "Quickie Election rule" which will significantly condense the time period between representation petitions and elections, along with opportunity to educate employees on the facts surrounding third party representation. And it takes effect on December 26, 2023. Is your organization ready?

Space is very limited and is reserved exclusively for clients and prospective clients of Fisher Phillips. Registrants will receive email confirmation of their reservation upon review of registration details.

The firm will submit this program for HRCI and SHRM credit.
