

HR Trend Talks: Sharing 2023 Best Practices

Event

12.20.23

12:00 PM — 1:00 PM EDT

As 2023 comes to a close, we look back at the many trends and challenges that have shaped HR practices over the past year. The inclusion of AI and emerging technologies, emphasis on employee wellbeing, new labor relations directives from the NLRB, and other hot topics no doubt became a part of the everyday workday of HR professionals.

This program will be a platform to share the successes and best practices of HR professionals who have navigated through these challenges. Join Brett Owens and guests from Fisher Phillips as they lead a discussion on the shared experiences we saw throughout the year and look ahead to 2024.

This event serves as a virtual networking platform for HR professionals to exchange insights and share best practices with their peers. This one-hour session features a 30-minute conversation with Fisher Phillips Partner Brett Owens and distinguished guests. Following this discussion, participants will be guided into breakout sessions, providing the opportunity to actively engage in conversations, exchange insights, and pose questions to fellow HR professionals.

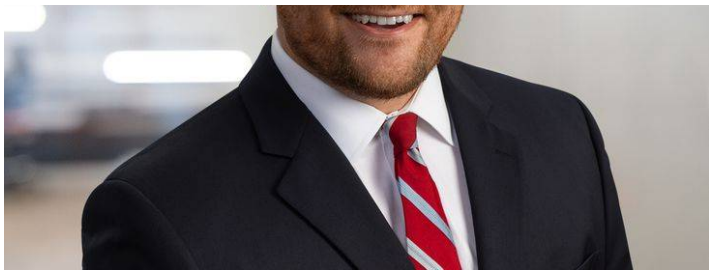

Space is limited. Registration is required.

If you have any questions, please contact **Christian Davidson**.
