FISHER PHILLIPS AI WORKPLACE FORUM: AI PREDICTIONS 2024

Event

Jan 10, 2024

2:00 pm - 2:30 pm EST

The Fisher Phillips AI Workplace Forum is the nation's preeminent space focusing on the intersection of AI and all things employment – the singular place where innovative business leaders will get the news on how AI will be impacting their operations. Join our next biweekly 30-minute rapid-fire session to hear firm leaders discuss the latest AI trends and breaking news.

Up for discussion this episode: **What will 2024 hold when it comes to artificial intelligence in the workplace?** We'll review our key predictions and provide employers with some tips on staying ahead of the curve. Joining us this episode are Evan Shenkman, the firm's Chief Knowledge and Innovation Officer, and special guest Arturo Ferreira, Co-Founder of the largest AI news and education platform in the world.

If you have any questions, please contact [Jennifer Bonham](#).

Fisher Phillips is committed to providing access to all of our events for disabled attendees. Automated closed captioning is available for all of our webinars. For other accommodation inquiries, please give us three business days advance notice prior to the scheduled event by contacting [Jennifer Bonham](#). Thank you.
