

FP Forecast 2024: Essential Webinar for Employers

Event

2.01.24

3:00 PM — 4:00 PM EDT

If you could attend just one webinar in all of 2024, this is the one. Join an interactive conversation with Fisher Phillips Chairman and Managing Partner John Polson as we plot a course for how employers can navigate the changes we see in store for 2024. We'll distill the past year's key developments and their impact on today's workplace and then provide you with an actionable blueprint for how to thrive in the year ahead. This complimentary session will provide insider insights for organizational leaders – C-Suite, corporate counsel, Board members, HR executives – and for those craving the inside scoop on how employers can excel in 2024.

The firm will submit this program for HRCI and SHRM credit.

If you have any questions, please contact [**Jennifer Bonham**](#).
