

Fisher Phillips AI Workplace Forum: The Benefits of Using AI For Hiring

Event

1.31.24

2:00 PM — 2:30 PM EDT

The Fisher Phillips AI Workplace Forum is the nation's preeminent space focusing on the intersection of AI and all things employment – the singular place where innovative business leaders will get the news on how AI will be impacting their operations. Join our next biweekly 30-minute rapid-fire session to hear firm leaders discuss the latest AI trends and breaking news.

Up for discussion this episode: We often hear about the dangers of using AI for the hiring process. But what about all the benefits? Join us for an interactive discussion about the many advantages your organization can realize at every stage of the hiring process by deploying an array of AI options. Our special guest this week is at the forefront of this growing movement and will provide concrete strategies and tips to help you get the most out of your efforts.
