# TOOLBOX TALKS: MANAGING OSHA EXPANSION ATTEMPTS DURING AN INSPECTION

Podcasts  
Feb 2, 2024

Loading  
.....

On this episode of Toolbox Talks, OSHA defense attorneys Curt Moore and Samantha Monsees discuss the tactics and methods OSHA often uses in an effort to expand the scope of a limited-scope inspection (injury report, complaint, referral, etc.). Curt and Samantha provide insight regarding employer rights related to these attempted expansions and discuss how employers can preserve and protect their rights and defenses during the inspection process.
