Fisher Phillips AI Workplace Forum: Deepfakes, Robocalls, and Other AI Threats

Event

3.06.24

2:00 PM — 2:30 PM EDT

The Fisher Phillips AI Workplace Forum is the nation's preeminent space focusing on the intersection of AI and all things employment – the singular place where innovative business leaders will get the news on how AI will be impacting their operations. Join our next biweekly 30-minute rapid-fire session to hear firm leaders discuss the latest AI trends and breaking news.

Up for discussion this episode: The news that a company recently lost $25M to a deepfake scam awoke us all to a new reality. And AI-fueled robocalls are now a new danger you may not have even considered. The time is now to understand these new threats and come up with a proactive plan for your organization – which we'll help you develop.

The firm will submit this program for HRCI and SHRM credit.

If you have any questions, please contact **Jennifer Bonham**.
