# FISHER PHILLIPS AI WORKPLACE FORUM: DEEPFAKES, ROBOCALLS, AND OTHER AI THREATS

Event

Mar 6, 2024

2:00 pm - 2:30 pm EST

The Fisher Phillips AI Workplace Forum is the nation's preeminent space focusing on the intersection of AI and all things employment. The singular place where innovative business leaders will get on how AI will be impacting their operations. Join our next big 30-minute rapid-fire session to hear firm leaders discuss the trends and breaking news.

Up for discussion this episode: The news that a company received \$25M to a deepfake scam woke us all to a new reality. And robocalls are now a new danger you may not have even considered. The time is now to understand these new threats and come up with a proactive plan for your organization – which we'll help you develop.

The firm will submit this program for HRCI and SHRM credit.

If you have any questions, please contact [Jennifer Bonham](#).
