WAGE AND HOUR WEDNESDAYS: A DEEP DIVE ON THE DOL'S NEW INDEPENDENT CONTRACTOR RULE

Event

Mar 13, 2024

12:00 pm - 1:00 pm EDT

In January the U.S. Department of Labor issued a new independent contractor rule that will tilt the playing field in favor of classifying workers as employees, rather than as contractors. Employers expect the federal agency to make this rule an enforcement priority and plaintiffs attorneys will try to use it to their advantage as a result. It is therefore critical for employers to understand the new rule and to evaluate and restructure their workforce accordingly. This presentation will cover the details of the new rule and what it means for your business.

The firm will submit this program for HRCI and SHRM credit.
