

OSHA Issues Final Rule Allowing Union Walkthroughs of Union and Non-Union Worksites: A Discussion of Your Rights

Event

4.16.24

3:00 PM — 4:00 PM EDT

The Occupational Safety and Health Administration (OSHA) just finalized a rule that will allow workers to designate a union representative to accompany an OSHA inspector during a facility walk around — regardless of whether the representative is your employee, or the facility is a union shop. OSHA published the final rule in the Federal Register on April 1, 2024, with an effective date of May 31, 2024 – 60 days after publication. This team of panelists will discuss the rule and how to be prepared to address this issue in your workplace.

Space is limited and is reserved exclusively for clients and prospective clients of Fisher Phillips. Registrants will receive email confirmation of their reservation upon review of registration details.
