

Fisher Phillips AI Workplace Forum: ChatGPT Tutorial

Event

4.17.24

2:00 PM — 2:30 PM EDT

The Fisher Phillips AI Workplace Forum is the nation's preeminent space focusing on the intersection of AI and all things employment – the singular place where innovative business leaders will get the news on how AI will be impacting their operations. Join our next biweekly 30-minute rapid-fire session to hear firm leaders discuss the latest AI trends and breaking news.

We're switching things up this week and giving you a practical lesson on how to use ChatGPT. Whether you've never used it before or consider yourself somewhat experienced, you'll gain valuable insights into this popular Generative AI tool. We'll give you suggestions you can put to use right away to help you in your professional role and your away-from-work world.

The firm will submit this program for HRCI and SHRM credit.

If you have any questions, please contact [Jennifer Bonham](#).

Fisher Phillips is committed to providing access to all of our events for disabled attendees. Automated closed captioning is available for all of our webinars. For other accommodation inquiries, please give us three business days advance notice prior to the scheduled event by contacting [Jennifer Bonham](#). Thank you.
