Overview

Chris Eavenson is a Safety Professional (CSP) and Safety Consultant in the Fisher Phillips Workplace Safety practice group and provides support to various clients in all aspect of safety, including auditing, training, and policy development.

Chris utilizes his depth of experience as a safety professional, along with his diverse background of management and human resources, to successfully advise clients on safety compliance programs. Chris actively works with clients in the manufacturing space and has worked for over a decade in the poultry industry. Chris routinely advises on OSHA compliance and activities. He has been involved as a multi-year member and former president of the Pine Belt Chapter of the American Society of Safety Professionals.

Chris earned his Bachelor of Science in Business Administration with a concentration in Human Resource Management from The University of Southern Mississippi.
