Fisher Phillips has once again been included in Hackney Publications' fourth annual “100 Law Firms with Sports Law Practices You Need to Know About.” The list serves as a key resource for those in the sports industry who seek experienced and capable legal counsel and is compiled with the help of readers, professors, and other industry experts.

The list is published in conjunction with and on the *Sports Law Expert*, a blog that features timely business and legal news that impacts the sports industry. Publishing in tandem with the list is a podcast interview with **Adam Sloustcher**, co-chair of Fisher Phillips' Sports team where he discusses how he broke into the industry, how he serves as a business partner for his clients, and employment law trends he is following in the industry.
