FISHER PHILLIPS AI WORKPLACE FORUM: USING AI TO BOOST WORKPLACE RETENTION

Event

May 1, 2024

2:00 pm - 2:30 pm EDT

The Fisher Phillips AI Workplace Forum is the nation's preeminent space focusing on the intersection of AI and all things employment. The singular place where innovative business leaders will get on how AI will be impacting their operations. Join our next bi-30-minute rapid-fire session to hear firm leaders discuss the trends and breaking news.

Up for discussion this week: There are ways you can use artificial intelligence to improve your workplace retention efforts. Learn the latest and most cutting-edge strategies that can help you level up to keep your employees happy and maintain a productive and engaged workforce.

The firm will submit this program for HRCI and SHRM credit.

If you have any questions, please contact [Jennifer Bonham](#).

Fisher Phillips is committed to providing access to all of our employees and disabled attendees. Automated closed captioning is available for our webinars.
