Contractors are faced with a multitude of labor and employment issues. The Fisher Phillips Construction Team is here to help construction employers navigate the unique challenges you're facing no matter where you're located.

Join us for the second of a seven-part webinar series for the construction industry as we provide an overview of the wage & hour issues that keep contractors up at night, including a deep dive into:

- Federal, State and Local Minimum Wage and Overtime Requirements
- Prevailing Wage Laws, including the Davis Bacon Act
- Employees vs. Independent Contractors
- Minimum Wage and Overtime Exemptions
- Meal Periods and Rest Breaks
- Child Labor
- New Developments in Civil Lawsuits
- Recent Trends in Government Audits and Enforcement Actions

We will highlight those issues that are most pertinent to contractors and, where appropriate, offer practical solutions to those issues.
