

Workplace Safety Partner Discusses OSHA's Record-Keeping and Reporting at Florida Chamber's 2024 Conference

News

5.16.24

The Florida Chamber's 2024 Leadership Conference on Safety, Health, and Sustainability brought together more than 600 business leaders and national thought leaders to discuss best practices for safe, healthy, and sustainable workplaces.

Ed Foulke, Fisher Phillips partner and member of the cabinet's board of advisors, spoke on the importance of OSHA record-keeping and reporting, including those related to heat safety – a topic at the forefront of employers' minds across the state.
