

HR Trend Talks: Breaking Down the Fed's Non-Compete Ban

Event

6.26.24

12:00 PM — 1:00 PM EDT

You've probably already heard that the federal government made an unprecedented move recently by finalizing a rule to ban non-competes. If this rule stands, nearly all employers and workers will not only be prohibited from entering into most new non-competes, you will also be prevented from enforcing existing non-competition agreements. While this rule will not go into effect until August at the earliest, it's not too early to prepare your business for compliance. Join Brett Owens and Fisher Phillips guests as they review the requirements of the rule and what employers can do to develop a strategy and determine the next steps.

This event serves as a virtual networking platform for HR professionals to exchange insights and share best practices with their peers. This one-hour session features a 30-minute conversation with Fisher Phillips Partner Brett Owens and distinguished guests. Following this discussion, participants will be guided into breakout sessions, providing an opportunity to actively engage in conversations, exchange insights, and pose questions to fellow HR professionals.

Space is limited. Registration is required.
