HR TREND TALKS: BREAKING DOWN THE FED'S NON-COMPETE BAN

Event

Jun 26, 2024

12:00 pm - 1:00 pm EDT

You've probably already heard that the federal government made an unprecedented move recently by finalizing a rule to ban non-compete clauses. If this rule stands, nearly all employers and workers will only be prohibited from entering into most new non-compete agreements. While this rule will not go into effect until August 2024, it's not too early to prepare your business for compliance. Brett Owens and Fisher Phillips guests will discuss the requirements of the rule and what employers can do to develop a strategy to determine the next steps.

This event serves as a virtual networking platform for HR professionals to exchange insights and share best practices with their peers. This one-hour session features a 30-minute conversation with Fisher Phillips Partner Brett Owens and distinguished guests. Following the discussion, participants will be guided into breakout sessions providing an opportunity to actively engage in conversations, exchange insights, and pose questions to fellow HR professionals.

Space is limited. Registration is required.
