WAGE AND HOUR WEDNESDAYS: NAVIGATING COMPLIANCE IN THE HEALTHCARE INDUSTRY

Event

Jul 10, 2024

12:00 pm - 1:00 pm EDT

In the ever-evolving legal landscape impacting the healthcare industry, navigating wage and hour laws has become increasingly challenging. Healthcare employers find themselves particularly vulnerable to compliance actions due to the industry's size and unique operational challenges.

This presentation will include a deep dive into the specific wage and hour compliance issues healthcare companies face. We will tackle critical topics such as regular rate and overtime rules, timekeeping practices, common misclassification pitfalls, and exemption challenges. Our presenters will provide valuable insights and best practices, equipping you with the knowledge and strategies to maximize compliance in this complex regulatory landscape, so that you can stay ahead of the curve and safeguard your organization from potential risks.

The firm will submit this program for HRCI and SHRM credit.

If you have any questions, please contact [Brandice Johnson](#).

Fisher Phillips is committed to providing access to all of our events for disabled attendees. Automated closed captioning is available for all of our webinars. For other accommodation inquiries, please give us three business
