Event

Jul 12, 2024

11:00 am - 12:00 pm PDT

Fisher Phillips is pleased to announce its new “California Insider” service for employers with operations in California. State legislation and regulations move at an incredibly fast pace in California. To stay ahead of the curve when it comes to compliance (and to give you a leg up on the competition) you need to know what is coming next. Sacramento-based Partner Ben Ebbink (our “California Insider”) with 15 years of experience working for the state legislature on labor and employment policy) will keep you up to speed with everything you need to know. Each month, you will receive a list of key labor and employment bills pending in California, an exclusive “insider” newsletter with policy analysis and behind-the-scenes legislative intelligence you won’t find anywhere else.

We are so confident this information will be invaluable to you that we have been offering a FREE three month trial period that ends at the end of the July session. After that, we hope that you continue to find this information helpful and will consider subscribing to receive this content in the future. But there is no obligation. You won’t be required to provide payment information now. We are confident that you will find the California Insider crucial to your compliance efforts and v
