Event

Aug 13, 2024

12:00 pm - 1:00 pm PDT

Join us this month as we discuss the new PAGA amendments it will affect Agricultural employers. What actions should you now?

California Private Attorneys General Act (PAGA) will see an overhaul that would limit the types of employees who could bring claims against employers a better chance to cure mistakes, reduce possible penalties and boost procedural mechanisms that would reduce claims. The amendments go beyond what is argued in the courtroom and extend to what executive and human resources professionals will be discussing in the conference room. This presentation will outline the amendments, outline proactive steps companies can take under the new law to reduce penalties and discuss how these amendments will affect businesses on a day-to-day basis.
