Event

Sep 11, 2024

12:00 pm - 1:00 pm EDT

With unique compensation issues in the industry, it is critical for healthcare employers to remain in compliance with wage and hour regulations. In this webinar, we will review a 10-step practical plan for healthcare industry employers to take to reduce risk and keep compliant with federal, state, and local wage and hour rules. These steps include ensuring proper overtime calculations, avoiding misclassification, preparing for a DOL investigation, and more. We will also discuss "per visit" pay in the healthcare industry.

The firm will submit this program for HRCI and SHRM credit.
