

Managing Arbitration Agreements Across Multiple States

Event

11.07.24

10:00 AM — 11:00 AM PDT

Arbitration has quickly become the preferred alternative to litigation because the court system is often not an effective or satisfactory way to resolve employee grievances. However, managing arbitration agreements and approaches across increasingly dispersed workplaces presents a challenge for employers. Join Fisher Phillips Partner of the Irvine office, Colin Calvert, for this one-hour webinar highlighting key considerations and potential solutions for related arbitration agreements and managing multi-state issues related to the same.

This program will be submitted for HRCI and SHRM credit.
