FEDERAL INSIDER

Event

Jan 24, 2025

2:00 pm - 3:00 pm EST

With a new administration comes many legislative and regulatory changes. Staying ahead of the curve on compliance and having a leg up on the competition means knowing what is coming as it happens. To ensure you are up to speed on the latest policies impacting your business, Fisher Phillips is pleased to announce its new “Federal Insider” service for employers.

Policy moves fast and FP is here to help you look around corners to see what is coming next while there is still an opportunity to amplify your voice to shape public policy as it is being developed.

Members of our Government Relations Practice Group will provide monthly updates spanning all three branches of government and you’ll hear directly from practice group leaders on a range of topics including wage & hour, workplace safety, artificial intelligence and more. Each month, you will receive a list of pending labor and employment legislation across the country at the state level, where all the action is. We will, of course, include any federal legislation that develops as well. You’ll also receive an exclusive newsletter with policy analysis and behind-the-scenes legislative intelligence you won’t find anywhere else, and a monthly hour-long webinar of in-depth analysis on the latest happenings inside the beltway.

We are so confident in your satisfaction that we are offering
