

Wage and Hour Wednesdays: The ABCs of Wage and Hour Compliance: Back to Basics

Event

3.12.25

12:00 PM — 1:00 PM EDT

With today's major shifts in the employment law landscape, it is easy to lose sight of areas that aren't currently in flux like the wage and hour requirements in the Fair Labor Standards Act ("FLSA"). Nonetheless, wage and hour lawsuits remains one of the most common types of employment lawsuits filed in the United States and are frequently the most costly. All too often, employers do not mean to violate their FLSA obligations, but the FLSA is complicated and errors—even ones made in good faith—can result in major consequences. During this webinar, we will return to basics to help employers avoid liability under the FLSA, so you can get back to business.
