

Hospitality Hour with Fisher Phillips: Immigration Law & ICE Raids/Audits – Essential Insights for Hospitality Employers

Event

3.26.25

1:00 PM — 2:00 PM EST

Businesses must be prepared for unexpected workplace-enforcement actions by the Department of Homeland Security (DHS). These enforcement actions, including Immigration and Customs Enforcement (ICE), Homeland Security Investigations (HSI), or Customs and Border Protection (CBP) audits and workplace raids, can disrupt operations, create civil and criminal liabilities, and significantly impact your team.

In this webinar, we will discuss the evolving immigration landscape and its implications for hospitality employers. Learn how to prepare for ICE raids and audits, what you can do to educate your team, and best practices for conducting internal I-9 audits.

The firm is submitting this webinar for HRCI/SHRM credit.
