

## **Noriyuki Takase**

### ***Of Counsel***

Tokyo

t: +81-3-6892-5595

### ***Service Focus***

- Counseling and Advice
- Data Protection and Cybersecurity
- Corporate Compliance and Governance
- Litigation and Trials

### ***Languages***

- Japanese

### ***Overview***

Noriyuki Takase helps companies operating in Japan navigate the rapidly changing landscape of data privacy laws and regulations. Through drafting and updating privacy policies and advising on employee and vendor compliance matters, he helps businesses comply with applicable laws and operate efficiently. He creates tailored solutions based on each client's unique circumstances and embraces challenging issues with determination.

With previous experience working in Japanese corporations, Noriyuki offers optimal solutions that bridge the gap between international and Japanese business practices.
