Overview

As a legal generalist, Ryosuke Ogino assists companies in addressing a wide range of issues. Drawing on practical litigation experience, he not only focuses on resolving ongoing disputes but also on establishing preventive legal frameworks to avoid potential problems. When companies venture into new business areas, he carefully examines relevant laws and regulations to minimize legal risks while maximizing business opportunities.

During law school, Ryosuke volunteered to provide legal education to elementary school students as well as adults. He has also supervised the development of legal education materials for children.
