MONEY MATTERS: NAVIGATING THE NEW ERA OF PAY TRANSPARENCY IN NEW JERSEY

Event

May 19, 2025

12:00 pm - 1:00 pm EDT

Join members of the Fisher Phillips' Pay Equity and Transparency practice group for an insightful webinar on New Jersey's upcoming pay transparency law. New Jersey has long been at the forefront of pay equity legislation, boasting some of the most comprehensive laws in the nation. Now, with the introduction of a pay transparency requirement, the landscape becomes even more intricate. This discussion will also focus on strategies to ensure your organization's compensation practices align with federal and state requirements. Attendees will gain valuable insights on implementing and communicating pay transparency policies effectively and to protect against legal exposure and to help close pay gaps in the workplace.

*****Space for this program is limited and is available on a first come, first serve basis.***
