HOSPITALITY HOUR WITH FISHER PHILLIPS: PREDICTIVE SCHEDULING LAWS ARE RESHAPING HOSPITALITY – IS YOUR BUSINESS READY?

Event

Jun 25, 2025

1:30 pm - 2:30 pm EDT

With the rise of predictive scheduling laws across various jurisdictions, hospitality employers face new compliance challenges that can complicate operations and expose businesses to significant financial penalties. While these laws aim to provide employees with more stable schedules, they can create substantial administrative burdens for employers and on-site management teams.

In this session, our legal team will break down the key obligations imposed on employers in the hospitality industry, highlight common compliance pitfalls, and provide actionable strategies to navigate these regulations while maintaining operational efficiency.

The firm is submitting this webinar for HRCI/SHRM credit.
