What's Going On? The Importance of Proper Internal Inve...

Employers are faced with unexpected challenges every day. Frequently, the ability to conduct a timely and effective internal investigation will be the difference in managing and responding to situations as they arise. This month, Arthur and Chris welcome Erin Gibson Allen, an attorney and member of Fisher Phillips Workplace Investigations Practice Group to discuss the importance of workplace investigations, how to prepare for them before an incident occurs and how best to execute them when the need arises. The wide-ranging discussion includes specific points for safety and health and offers tips based on experience in the field.
