

Texas Partner Co-Authors Article on the Impact the End of Chevron Deference Will Have on Labor and Employment Law

Publication

5.06.25

In a bylined article published in the State Bar of Texas' employment law litigation section publication, *The Advocate*, co-author and partner **Amanda Brown** shares her insights on how the end of *Chevron* deference will impact labor and employment law.

This article was originally published in Volume 110, the Spring 2025 edition of *The Advocate* (subscription required), and you can view a pdf of the issue [here](#).
