

Wage and Hour Wednesdays: Fifty Shades of Pay: Navigating Wage and Hour Laws Across the States

Event

6.11.25

12:00 PM — 1:00 PM EST

Wage and hour laws aren't one-size-fits-all—what's legal in one state may be a violation in another, and certain states have hidden traps, with obscure requirements that can still lead to big liability. In this program, our Wage and Hour Team will provide a practical look at the patchwork of wage and hour rules across the United States, highlighting key differences in state-specific rules relating to minimum wage, overtime, meal and rest breaks, and more. Whether you manage a multi-state workforce or are just trying to stay compliant, join us for a fast-paced overview of what you need to know to stay on the right side of the law—no matter where workers clock in.
