

OSHA Trends – Safety First, Fines Last

BROWN & BROWN

Event

6.18.25

10:00 AM — 11:00 AM EDT

Register for Webinar

Fisher Phillips attorney, Curtis Moore, will be a featured speaker on this webinar which will cover the following topics:

- OSHA compliance can help lower EMR and potentially drive down insurance premiums
- Proactive OSHA efforts help avoid fines and identify hidden risks
- Compliance projects help to strengthen safety culture and insurer confidence
- Improved compliance can help achieve fewer claims and better market access
- Tangible ROI on safety investments
- What's reportable in the OSHA log?
- Actions post-loss – pre-report
- Carry over from the Biden administration
- Current trends
