On July 1, the Florida Contracts Honoring Opportunity, Investment, Confidentiality, and Economic Growth (CHOICE) Act, will go into effect, making Florida the most enforcement-friendly state in the country for non-compete and garden leave agreements. Join Brett Owens and Fisher Phillips guests as they guide employers on what agreements are covered, who is covered, what is required of your organization in preparation for this Act to take effect, and considerations for employers based on their line of business and unique interests.

This event serves as a virtual networking platform for HR professionals to exchange insights and share best practices with their peers. This one-hour session features a 30-minute presentation by Fisher Phillips Partner Brett Owens. Following this discussion, participants will be guided into breakout sessions, providing opportunity to actively engage in conversations, exchange insights, and pose questions to fellow HR professionals.

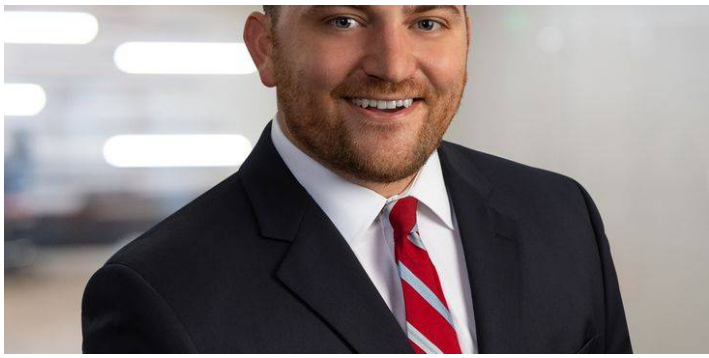

Space is limited. Registration is required.
