

Employee Defection and Trade Secrets Issues Keeping Medical Device Companies Up at Night

Event

6.26.25

2:00 PM — 3:00 PM EDT

Register for Webinar

Join Fisher Phillips' Life Sciences and Pharma Industry Team for a webinar focused on how medical device companies can prevent departing employees from poaching customers and current employees and using confidential information and trade secrets to benefit competitors.

We will explore important legal and regulatory concepts, including:

- Non-disclosure, non-competes, non-solicitation of customers and non-solicitation of employees
- Protecting trade secrets
- Employee raiding
- Relevant IT tools to prevent and detect theft

Attendees will come away with a practical understanding of both the basics of managing restrictive covenants programs, and guidance for how to define and protect trade secrets and other important confidential business information.

If you have any questions, please contact [Kelsey Lange](#).

Educational Credits

HRCI and SHRM

- The firm is submitting this webinar for credit.

CLE

- Fisher Phillips will make all reasonable efforts to obtain CLE credit for this program in every state that is relevant to attendee's CLE needs. In certain instances, some programs may not be awarded CLE credit because of content delivery or jurisdictional restrictions.
