Event

Jul 10, 2025

12:00 pm - 12:30 pm EDT

Join us for a timely and insightful webinar unpacking the Office of Federal Contract Compliance Programs' (OFCCP) recent proposed rulemaking stemming from Executive Order 14173, which could significantly shift compliance dynamics for federal contractors. This session will also explore the recent letter from OFCCP seeking voluntary information around compliance efforts:

- **What's Changing:** A breakdown of the proposed regulatory changes and how they differ from current OFCCP procedures.
- **Voluntary... For Now:** The strategic considerations behind the "voluntary" submission of information to OFCCP
- **Next Steps for Contractors:** Best practices for navigating uncertainty, evaluating the pros and cons of early submissions, and preparing for what's next.

Whether you're in legal, compliance, or HR leadership, this webinar will equip you with the insights needed to make informed decisions in response to the OFCCP's evolving expectations.
