

## Irvine Office Co-Regional Managing Partner Participates in Orange County Business Journal Labor and Employment Roundtable

News

6.30.25

During a roundtable hosted by *Orange County Business Journal* focused on today's most pressing labor and employment issues, **Jeffrey Thurrell** explores emerging developments in union organizing, common pitfalls in disability accommodation, and the complexities of using predictive AI in hiring decisions. The interview also highlights critical mistakes employers make in responding to harassment complaints, wage and hour compliance, and the pros and cons of mandatory arbitration agreements.
