

Workplace Safety Co-Chair Discusses Relaunch of U.S. DOL's Opinion Letter Program

News
7.16.25

In an interview with *3E*, **Todd Logsdon** shares his thoughts on the relaunch of U.S. Department of Labor's (DOL's) opinion letter program. In the interview he discusses how the program can provide insight into how the agency will interpret the law and/or situation, which should help employers comply with the law and prevent negative interactions with the agency.
